**RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Notice of Drawing Inconsistency with Specification issued on April 17, 2009 indicates that Figs. 5a and 5b are identified in the Brief Description of the Drawings section of the specification, and that the drawings only include a Fig. 5 (and not a Fig. 5a or 5b).

In response to the Notice, a substitute specification is enclosed herewith in which the references to Figs. 5a and 5b have been revised so as to describe Fig. 5 as originally filed. For the Examiner's benefit, a marked-up copy of the specification indicating the changes made thereto is also enclosed. Accordingly, it is respectfully submitted that the drawings and the

specification are consistent with each other. No new matter has been added by the revisions.  
Entry of the substitute specification is thus respectfully requested.

Respectfully submitted,

Takeshi MORITA
